FOR THE EASTERN DISTRICT OF TEXAS
MARSHALL DIVISION**

NETLIST, INC.,

Plaintiff,

v.

MICRON TECHNOLOGY, INC., MICRON
SEMICONDUCTOR PRODUCTS, INC., AND
MICRON TECHNOLOGY TEXAS LLC,

Defendants.

CIVIL ACTION NO. 2:22-cv-00203

DEFENDANTS' UNOPPOSED MOTION TO RESET JUNE 23 HEARING

The Court has set a hearing on June 23, 2023, at 1:30 PM to resume discussion of Netlist Motion to Compel (ECF No. 73), in the event the parties unable to resolve the issues as discussed with the Court on May 30, 2023. Defendants have committed to production of the documents and information that Micron believes Netlist seeks through its motions to compel by June 22, 2023. Because document productions relevant to the hearing are occurring this week, and because Micron's lead counsel is currently recovering from COVID, Defendants move to reset the hearing until the Court's first availability other than June 29, June 30, or July 5. In light of Defendants' commitment, Netlist does not oppose this request for resetting. Resetting the hearing to a later date will allow the parties to assess the status of document production and confer before appearing before the Court. The parties have pre-existing conflicts on June 29, June 30 and July 5. The parties will continue under the Court's previous instruction to file a status report regarding any remaining matters in dispute the day prior to any reset hearing date.

For the foregoing reasons, Defendants request that the Court reset the June 23 hearing until its next available date other than June 29, June 30, or July 5, 2023.

Dated: June 21, 2023

Respectfully submitted,
